--	--	------------------------------------	--

IX. Competition Rules

1. Professional Group:

(1) The following rules shall be applied except that the latest IAAF competition rules are applied for technical penalty.

(2) Team Event :Each team consists of 5 athletes ,with the three best scores to count at each station .An athlete can participate in both individual and team event. Foreign athletes with different nationalities can compete for the same team.

A team's score for each station is the aggregate of the three best scores for the station according to their times. All teams will be ranked at each station based on their team scores at the station. Final rankings of each team are based on their total scores of all the four stations. If at one station, only one or two team members finish the competition, the team shall be ranked after all the teams in which 3 to 5 team members finish the competition, and the same rule is also applied for final ranking. Teams with the same total times will ranked according to the highest personal scores of each team.

(3) Individual Event: Each athlete's individual ranking is based on all the athletes' results in both team events and individual events. The fastest walker ranks the first.

(4) In the competition, a race walking judge can caution an athlete when he/she believes that the athlete's mode of progression does not completely comply with the definition of race walking by showing the athlete a yellow paddle. When an athlete clearly fails to comply with the walking rules ,the judge shall send a red card to the chief judge for his/her offense. Pit lanes will be used along the walking courses(Pit lanes will be set up according to the distance of each event). An athlete who receives three red cards shall be cautioned or enter the Pit lane based on the numbers of the red cards he/she receives from the judges .An athlete with three red cards will be required to enter the nearest Pit lane directed by a judge and he/she shall remain there for the applicable period before continuing to compete. Details are as follows:

a. At each station :

One red card: Caution

Two red cards: Remain in the Pit lane for 1 minutes

Three red cards: Remain in the Pit lane for 1 minutes

Four red cards: Remain in the Pit lane for 1.5 minutes

Five red cards: Disqualify

b. An athlete will receive a red card and be disqualified when he/she seriously violates the walking rules or is seriously guilty of unsporting behavior during the competition.

(5) Chip timing system will be used in the competition .Timing chips will be handed out before the competition .Usage and regulations of timing chips are to be confirmed .

(6) From the second station, the first place in the individual event at the previous stations will wear a yellow jersey in the competition.

(7) The LOC will set up water stations every 5 kilometers along the courses where athletes can store their own drinks.

(8) All athletes are required to be dressed in their official uniform (competition vests and shorts).All clothing must comply with the requirements of the competition. Athletes fail to meet the uniform requirements will be ineligible for participating in the competition.

(9) All participants are required to take a drug test.

2. Junior Group: Competition rules for junior groups are to be confirmed by Athletics Administration Center under the General Administration of Sport of China.
