WALKER OF THE WEEK

Once again, we are spoilt for choice when it comes to awarding this week's Walker of the Week. Consider what's on offer

- First to the Athletics Victoria Shield competition at Knox, where 73 year old **Andrew Jamieson** took 2 secs off his Australian Masters M70 2000m track walk record with a time of **10:30.6**. He set his current record just after turning 70. Now, 3 years later, he is even faster!
- At the same Knox venue, 70 year old **Heather Carr** was only 1 sec outside her recent Australian W70 2000m walk record with her time of **11:48.9**. Heather seems to be in contention just about every week!
- At the Doncaster venue, 12 year old **Darcey Roberts** was also in superb 2000m track walk mode, her 12 sec PB time of **9:37.4** only 0.5 sec outside Rebecca Henderson's VRWC U13 record. Darcey has until September to bridge the small gap. To add icing to the cake, she backed up with very impressive 800m and 3000m runs.

One further piece of information tips the balance in favour of one of the 3 walkers listed above. Last Friday, the World Masters Association announced the 2019 WMA Best Athletes list and Heather Carr was amongst the recipients, being judged the Female Walker of the Year. It's yet another accolade for Heather and a well deserved one. When I saw the short list, I was pretty certain she would win the award and that is how it has turned out. I will talk more about the awards later in the newsletter. For now, check out the full recipient list at <https://world-masters-athletics.com/news/2019-athletes-of-the-year/>.

Obviously, Heather is my Walker of the Week this time around.

WHAT'S COMING UP

- AV Shield continues next Saturday 8th February, with Round 12 at Box Hill, Aberfeldie, Bendigo, Ballarat and Geelong. Alas, no walks in the official point scoring this round but I suspect the country venues may have non point scoring walks.
- The weekend is an exciting one from a walks perspective, with the **Australian 20km Race Walking Championships** to be held in Adelaide on Sunday morning.

Event: Australian 20km Race Walking Championship
 Venue: War Memorial Drive, Adelaide SA (between Froome Rd and Bunday's Rd)
 Date: **Sunday 9th February 2020**
 Draft Timetable: 7:00am Australian 20km Road Walk Championships
 8:00am Oceania Under 20 10km Road Walk Championships
 8:00am Invitational Under 18 5km Road Walk

Start lists at <https://cdn.revolutionise.com.au/cups/aa/files/glzebstszk6os5ox.pdf>. Here is how the fields look - talk about high quality!

- For those going to Adelaide for the above mentioned Australian 20km Championships, Bob Cruise is conducting a **Coaching Seminar** there on **Saturday 8th February**. He tells me it is an introduction to coaching with an emphasis on technique and training plans. Registrations is via the ASA website. Link at <https://www.athleticssa.com.au/events/55019/>.
- Looking further ahead, the **Athletics Victoria 5000m Team Walks Championships** will be held at the Mentone Athletics Track on Wednesday 12th February. You have to enter via the AV Members Portal at <https://members.athsvic.org.au/>. There is also a VRWC 1500m walk for which entries are taken on the night. The timetable reads as follows

Wed 12th February 2020, AV 5km Teams Championship, VRWC Races, Mentone		
Venue: Mentone Athletic Track, Dolomore Reserve, Queen Street, Mentone		
7.00pm	VRWC 1500m	Open
7.15pm	AV 5000m Teams championships	Open Men and Women

The AV Teams Championships rules read as follows

1. A Male Team will consist of 3 or more male walkers currently registered with the same AV Club or Country Region. A Female Team will consist of 3 or more female walkers currently registered with the same AV Club or Country Region. Mixed teams are not possible.
 2. The first 3 walkers to finish will be designated as the first finishing team for that club.
 3. The next 3 walkers to finish for that club will be designated as their second team and so on.
 4. All team members must be aged 12 years or older on the day. Scoring of Teams Points will be in line with the AV Cross Country scoring system.
 5. All entries must be completed on the proper entry form as issued by Athletics Victoria.
- If you fancy a trip to Ballarat, then **Thursday 13th February** is the date, as BRWC are running the **Ballarat Racewalkers Club Founders Cup**, starting at 6PM in the North Gardens, Lake at Wendouree. The races will be followed by a BBQ.
 - The following Sunday sees the **Victorian Masters 5000m track walk championships**, along with our usual VRWC races, at Dolomore Reserve in Mentone. All entries for this meet may be made on the day or via the VRWQ online entry panel at <https://vrwc.org.au/wp1/>.

AV SHIELD ROUND 11, AROUND VICTORIA, SATURDAY 1 FEBRUARY

The Athletics Victoria Shield Round 11 competition saw 79 walkers in action. It was a wet and wild day so I am unsure if enough events were completed to ensure the Round counts. At Doncaster, the meet was stopped at 4PM, with plenty of events still to go, including my Shot Put!

AV Shield Round 11, Knox Athletics Track, Knox, Saturday 1 February

First to Knox where **Corey Dickson** led the field around in the 5000m with a brisk 22:57.0, pretty good considering a hard intervals session that morning with the Supernova Study group. **Mark Blackwood** was in fine form to take fastest time in the 2000m (8:55.4) but the big action was happening behind him, with 73 year old **Andrew Jamieson** taking 2 secs off his Australian Masters M70 record with 10:30.6 and 70 year old **Heather Carr** only 1 sec outside her recent Australian W70 record with 11:48.9. They each scored 537 points for their efforts.

AV Shield Round 11, Tom Kelly Athletics Track, Doncaster, Saturday 1 February

Like Corey Dickson, **Kyle Swan** was in action only a couple of hours after finishing the tough intervals session with the Supernova group, and he also excelled with 20:42.8 in the 5000m walk. There were so many 2000m walkers that the event had to be split into male and female heats. **Danny Hawksworth** (9:28.4) and **Pramesh Prasad** (9:36.4) had a good battle out front in the men's race, while **Darcey Roberts** was just 0.5 sec outside Rebecca Henderson's VRWC U13 club record with her big PB time of 9:37.4. She rated highest of all the walkers in Round 11 with 546 points.

LONDON OPEN RACE WALKS / SOUTHERN CHAMPIONSHIPS, HILLINGDON, SUNDAY 2 FEBRUARY

I had been unsuccessfully looking for these results until this morning when John Constandinou announced the latest issue of the Race Walking Record (see <http://racewalkingassociation.com/Newsletters/RWR892.pdf>). Lo and behold, there were the full results, along with a report by Peter Cassidy, which I reproduce below. Thanks John and Peter!

In bright and breezy conditions, the event saw an increased turn-out, although, sadly, still small among the younger age-groups, A close struggle between **George Wilkinson** of Enfield and Bexley's **Matthew Crane** in the Junior Men's 10k saw the victory going to the Enfield man who had the edge by a mere nineteen seconds. The Junior Women made it even closer, **Millie Morris** of Ashford having only four seconds in hand over **Hannah Hopper** of Cambridge Harriers. **Maddy Shott** and **Luc Legon** (still an Under-23) won by minutes in the senior men's and women's races but an equally noteworthy margin was by newcomer to the meeting **Natasha Mitchell** – the first-ever appearance by a walker from Winchester & District A.C. – taking the Under 15 Girls' 3k race by a little under two minutes, while sister **Rebecca Mitchell** came home third to the experienced **Katie Stringer** and **Lois Carty** in the Under 17s.

The technical standard of walking was good; although several walkers did receive cards, only three of them collected three and, in the words of one race report from many years back, were invited to desist in their attempts. Race walking is clearly for all ages; the third Men's team, Enfield and Haringey, consisted of Under-20 **George Wilkinson** and Over-80 **Arthur Thomson!**

PHOTOS FROM THE VIC COUNTRY CHAMPIONSHIPS

I published the results of the Victorian Country Championships in last week's newsletter but I did not have any photos to accompany the article. Thanks to Wayne Peart who has now forwarded me a great selection, some of which I reproduce below.

The start of the Open/U20/Masters 5000m walk: Alanna Peart, Charlotte Hay, Darcey Roberts, Gemma Peart, Owen Costin, Fraser Saunder, Leigh Browell, Heath Beveridge and Angus Hay

The start in the U16 and Masters 3000m walk: Donna-Marie Elms, Tracy Colbert, Annette Major, Alanna Peart, Claire Noonan, Eija Heikkila-Dubowik, Emily Smith, Riahannah Tatlock, David Smyth, Fraser Saunder, Owen Costin (obscured), Sebastian Weickhardt and Scott Peart

Left: The leaders in the 5000m walk: Gemma Peart, Heath Beveridge, Alanna Peart and Fraser Saunder

FOCUS ON THREE RECORD BREAKING MASTERS

With Heather Carr now busy breaking W70 Victorian and Australian walking records, it is timely to review the women's W65 and W70 Australian and Victorian records and zoom in on the 3 wonderful Victorian athletes who dominate the stats. Here's how it looks:

1500m Walk	W65	AR/VR	BRENDA RILEY	VIC	7:48.2	2005
	W70	AR/VR	JEAN ALBURY	TAS	8:24	2000
2000m Walk	W65	AR/VR	HEATHER CARR	VIC	10:52.2	2017
	W70	AR/VR	HEATHER CARR	VIC	11:47.0	2020
3000m Walk	W65	AR/WR	BRENDA RILEY	VIC	16:22.1	2006
	W70	AR/WR	HEATHER CARR	VIC	17:50.6	2020
5000m Walk	W65	AR/WR	BRENDA RILEY	VIC	27:19.1	2006
	W70	AR/VR	JEAN ALBURY	TAS	29:42.75	2000
10km Walk	W65	AR/WR	BRENDA RILEY	VIC	55:32	2005
	W70	AR	JEAN ALBURY	TAS	1:02:31	2000
20km Walk	W65	AB/WB	BRENDA RILEY	VIC	1:57:39	2006
	W70	AB	JOAN PURCELL	QLD	2:30:05.39	2011
30km Walk	W65	AB	HEATHER CARR	VIC	3:37:02	2015

First to **Jean Albury** who started off as a runner. And what a runner she was – here are a selection of her runs that have stood the test of time and are still in the books as records

Vic Record	W50	1 Mile	1983	6.04
Aust/Vic record	W55	Marathon	1984	3.09.14
Aust C'ship Record	W55	1500m	1985	5:15.7
Vic Record	W60	1500m	1990	5.36
Aust C'Ship Record	W60	1500m	1990	5:36

She expanded her repertoire to include racewalking in the W55 age group, quickly setting new Australian and Victorian walk records across the board. She continued her record breaking spree in the W60, W65 and W70 walk divisions. By that time, she had moved to Tasmania and was competing as a TMA member. Brenda Riley and then Heather Carr eventually bettered her W55, W60 and W65 walk records but the 3 following W70 walk records have withstood their onslaught and still stand as Australian records. And no wonder when you review them!

1500m Walk	W70	AR/VR	JEAN ALBURY	TAS	8:24	2000
5000m Walk	W70	AR/VR	JEAN ALBURY	TAS	29:42.75	2000
10km Walk	W70	AR	JEAN ALBURY	TAS	1:02:31	2000

Next to **Brenda Riley**, born 1939 and competing as a Victorian country walker, living in Pt. Lonsdale, just past Geelong. In the space of a couple of years from 2004 to 2006, she set a series of W65 records that are staggeringly good. Even now, five of them have withstood Heather's efforts and still show as World Records or World Bests

1500m Walk	W65	AR/VR	BRENDA RILEY	VIC	7:48.2	2005
3000m Walk	W65	AR/WR	BRENDA RILEY	VIC	16:22.1	2006
5000m Walk	W65	AR/WR	BRENDA RILEY	VIC	27:19.1	2006
10km Walk	W65	AR/WR	BRENDA RILEY	VIC	55:32	2005
20km Walk	W65	AB/WB	BRENDA RILEY	VIC	1:57:39	2006

Arguably, Brenda's best ever walk was her last. The occasion was a VRWC road carnival at Middle Park on Sunday 17th December 2006. Brenda, then aged 67, walking her first ever 20 km event, took some 9 minutes of the World Masters W65 20 km record with a fantastic 1:57:39 (with the first 10km covered in 57:07). Sadly, she pulled up injured from that superb walk and never seriously raced again. She left behind a legacy of great W55, W60 and W65 performances that were going going to take some beating. As an aside, Andrew Jamieson walked a superb 47:06 to take 11 secs off his World Masters M60 10 km record in the same race.

And now to 70 year old **Heather Carr** who has been cutting her own swathe through the records ever since the W40 division.

Heather Carr in action last month at Clifton Hill

She has four W65/W70 Australian walk records to her name and will be looking critically at Jean's remaining W70 records. They are super tough but Heather has made a good start. The next couple of years will be interesting!

2000m Walk	W65	AR/VR	HEATHER CARR	VIC	10:52.2	2017
2000m Walk	W70	AR/VR	HEATHER CARR	VIC	11:47.0	2020

CONGRATULATIONS TO OUR WMA WORLD WALKERS OF THE YEAR FOR 2019

As mentioned earlier in the newsletter, the World Masters Association announced the 2019 WMA Best Athletes list last Friday and **Heather Carr** was amongst the recipients, being judged the Female Walker of the Year. Alongside her was England's **Ian Richards** who was announced as Male Walker of the Year and second overall in the overall Male Athlete of the Year. I reproduce their interviews from <https://world-masters-athletics.com/news/2019-athletes-of-the-year/>.

Ian Richards (M71), GBR – Men's #1 Race Walks and #2 Overall

What does winning the award mean to you? My first racewalking career came to an end in 1982 having achieved most things I believed I was capable of as an amateur while working fulltime, bringing up a young family and building a career in the finance and investment industry. I finished 11th in the Moscow Olympics 50k walk, competed in 2 Lugano walking championships (the fore runner to the world championships), European championships and represented GB on many occasions. I took a 25 year break and started again at age 60 purely to keep fit and have fun. However, the Olympian within me soon came to the fore and I saw the potential of masters and all that it offers. I was hooked and wanted to see how far I could get. Little by little I have got better and winning this award is beyond what I expected and a major highlight of my career, on a par of becoming an Olympian. It will also help give me extra credibility in my goals to help others become more active and live fuller lives.

What were your goals in Masters Athletes for 2019? My main goals were to win the World Indoor Championships in Torun and the European Track and Field championships in Venice. Like many walkers, I race all distances from 3000m to 30km and beyond. I knew to be certain of winning, however, that I would have to be in world record breaking form for all distance over a season lasting from March to September.

What are your goals in Masters Athletics for 2020? Very much the same as 2019, European Indoor Championships, European Non-Stadia Championships and World Championships. It is going to be a much bigger challenge being 1 year on in my age group with some very good youngsters coming up. My mindset is that once again I will need to be in world record breaking form and am training accordingly.

What else happened for/to you in 2019 that you would like to share? A particularly proud moment was being selected for the England marathon team in a Celtic nations international marathon. I had qualified in an open marathon running race despite the fact that I had race walked the distance. I race walked the international and just broke 4 hours.

Racewalking is a very tough event because of the technical requirements, particularly the need to straighten the leg from the point of contact to the upright position. Not only do we slow as we age but it gets more and more difficult to comply with the rules. When you are trying to push yourself to the limit it is easy to transgress and get disqualified. I am pleased that I have learnt how to manage that pressure and overcome major disappointments. At the British Indoor Championships over 3000m, I won the race and set a new world record only to be disqualified after I had finished for a bent knee. To go on a few weeks later and win the World Championships in

Torun,, and set a new world record was very satisfying. Unfortunately disappoint soon followed as in the 5000m a few days later, I set out to win and break the record. Again it was not to be. I won easily but was disqualified after the finish, again for a bent knee!

I was determined to get it right in the European Championships. In the 10km which I had targeted for a supreme effort I won easily and it looked as though I had smashed the world record. When I saw my time I said to myself that was impossible and quickly realized the course had to be short and pointed it out to the organisers. I had to argue the point but there was no way I could claim a world record which they eventually agreed. I was so far in front of the record that had it been the right distance I would have still beaten it by a large margin. Set backs are part of racewalking and you just have to accept it when you get it wrong, its your fault not that of judges who are doing their best. Sometimes organisers will get it wrong, not intentionally but no one is perfect. It doesnt impact on the enjoyment I am getting from being one of the best masters in the world – I am having the time of my life! I understand that I have been awarded the Torsten Carlius Fair Play Award by European Masters (this needs to be checked) for the way that I have accepted these disappointments.

How has your health in recent years? One of the reasons that I restarted racewalking was for the good of my health with the hope that it would help me both live longer and continue to be active. So far so good! All my training is outdoors in all weathers taking no more than a couple of weeks break at the end of the summer. I am convinced that getting regularly soaked and half frozen is good for the immune system. What I have found, however, is that injury prevention has become more and more critical and get niggles sorted as soon as I spot them. I train 6 days a week putting in as much time as when I was training for the Olympics. However, I now have to use some of that time conditioning my whole body with extensive stretching. I foam roller regularly, have deep tissue massage once a week and see a very good sports Chiropractor every couple of months to check me over and sort out any realignments that might be needed. Its working although I do get the occasional injury but I am very good at managing those and getting back quite quickly. Some injuries need to be tackled by rest but I always whenever possible do other things that will help maintain my fitness and have found ways that work for me to get me back to full fitness very quickly once I am able to get back into training.

Other than Masters Athletes, what else do you do for fun? Any time that I have outside of training and competing I try to use to give something back to others. I have been enormously blessed in my life and as an Olympian feel duty bound to use my time living and promoting the Olympic values. It is enormous fun and rewarding serving others. I am the current Vice Chairman and also Race Walking Secretary of the British Masters Athletic Federation and I regularly take on the role as one of the Team Managers of the British Masters Team at championships. I also serve on a number of other committees in various positions within the sport. I am a member of the Salvation Army and am committed to helping those less fortunate than myself. I have spent many years working with children and youth but find myself increasingly working with the elderly community where I have found that my involvement in masters sport can be used both to motivate and show them how they can become more active and live their lives more fully. I regularly give talks for those coming up to or recently retired and to other groups of elderly people. I am currently enrolling to do a Sports Science Degree starting in September as I feel the knowledge this will give me will be of benefit both to myself and help me give better guidance to others. Oh I also have a wife and 5 grandchildren!

Heather Carr (W70), AUS – Women’s #1 Race Walks

What does winning the award mean to you? Nomination for this award has been quite overwhelming for me. As part of the racewalking community I feel exceptionally privileged to be recognised for my contribution to the sport since beginning my involvement in athletics over 33 years ago. My interest began prior to the World Veterans Athletic Championships held in Melbourne, Australia 1987.

Athletics have played an integral part in my life, particularly having the amazing opportunity to belong to the Victorian Race Walking Club [VRWC] and Athletics Victoria [AV]. Both organizations provide wonderful support and assistance for me in pursuing my passion for athletics – predominantly racewalking. Walkers enjoy regular competitions throughout the year – so plenty of opportunities exist to improve speed, technique and endurance under race conditions. I believe Victorian racewalkers are extremely fortunate in belonging to the best club in the world!

What were your goals in Masters Athletes for 2019? My goals during 2019 were primarily to recover from an achilles injury which sidelined me during the World Championships in Malaga, Spain in 2018. Being unable to compete was absolutely distressing for me so I was resolute in my determination to devote time for recuperating and recovering from the achilles as well as from hip replacement surgery [June 2017]. With the help from an amazing Physiotherapist, I was able to build up and maintain fitness once more.

What are your goals in Masters Athletics for 2020? My goals for 2020 are to continue racewalking, and hopefully continue to enjoy good health and good company with fellow athletes. Coffee time is always paramount following a training session or competition! So, competing, keeping fit and having a fun time are very important to me!

Other than Masters Athletes, what else do you do for fun? I really enjoy and value any physical activity; attending weekly Masters local venues including Glen Eira, Frankston and Southern Peninsula. I also participate in Parkrun and compete in Triathlons. To balance this physical activity, I love reading, going to movies and spending time with family.
