### TIM'S WALKER OF THE WEEK

My Walker of the Week this time around is 19 year old Victorian walker **Rebecca Henderson** who produced another top performance at Fawkner Park last Sunday. Competing in the Athletics Australia Invitational 20km roadwalk at that venue, she finished just behind winner Jemima Montag with a PB 1:31:53. Consider her summer season of racing.

10 Jan 2021	10,000m Track Walk	Clifton Hill	46:25	PB
31 Jan 2021	10,000m Track Walk	Clifton Hill	45:20	PB
27 Feb 2021	5000m Track Walk	Albert Park	22:05	PB
27 mar 2021	20km Road Walk	Fawkner Park	1:32:12	PB
15 Apr 2021	10,000m Walk	Sydney	45:13	PB
02 May 2021	20km Road Walk	Fawkner Park	1:31:53	PB

She has risen from our best U20 walker last year to being a serious Olympic contender in 2021. Up till this year, Bec had juggled triathlon, long distance swimming and race walking. This summer, she has finally knuckled down to a solid walking program, under her coach Simon Baker, and the results have been wonderful. The sky's the limit for this super talented young walker.

## VRWC, AV, VMA AND AA ROADWALKS, FAWKNER PARK, SUNDAY 2 MAY 2021

Fawkner Park in Melbourne was the venue for our VRWC races on Sunday morning, with the meet also hosting the Victorian 20km and Victorian Masters 20km Championships, along with an Athletics Australia Invitational 20km walk. Conditions were overcast with temperatures in the low twenties so pretty good overall.

The 20km walkers headed off together at 8:30AM, with **Rhydian Cowley** going to an immediate lead, shadowed as usual by **Declan Tingay** and **Kyle Swan**. Rhydian soon cleared away, going on to win with an excellent 1:21:49, yet another quality performance from our top male walker. **Quentin Rew** is returning to good form (it looks like he is timing things nicely to return to top form for the Olympic 50km in early August) and came through to take second with 1:24:37, ahead of Kyle who finished third with 1:25:37. Declan faded to finish fourth with 1:27:59, the victim of a badly timed gastric issue. **Mitch Baker** was another who was well up early but he also faded and eventually retired. It has been a very long summer for our all elite walkers, with one race after another, and a lot of training camps in between, so it was perhaps not surprising that times were a bit down overall.

We only had three women in attendance, but they were our top three so a high quality race ensued. **Jemima Montag** walked with 19 year old **Rebecca Henderson** for the entire race, Jemima winning overall with 1:31:51, while Rebecca doing a 19 sec PB to finish with 1:31:53. **Katie Hayward** was not far behind for most of the race but slowed a bit in the last couple of laps to finish with 1:36:16. **Sarah Brennan** (1:54:32) and Rhydian won the Victorian Championship and a number of additional walkers filled out the field in the Victorian Masters Championships.

## OUT AND ABOUT

- One for the statistics buffs. The latest edition of the *Progression of World Athletics Records*, published in 2020 by World Athletics Heritage, is now available as an ebook. Surf to <https://www.worldathletics.org/heritage/news/progression-of-world-athletics-records-on-sal> and click on the link. I have downloaded a copy for myself. It is very comprehensive.
- Canadian walker **Evan Dunfee** is interviewed by German Sports magazine sportschau and he pulls no punches. See <https://www.sportschau.de/olympia/dunfee-olympia-tokio-100.html>.
- Athletics Australia announced last Saturday that it will not send a team to the World U20 Championships in Nairobi, Kenya this August, and will instead provide selected athletes with international competition experience at home in Australia. Some of the factors include the heightened risk of terrorism throughout Kenya, the impacts of COVID-19 and quarantine rules surrounding under age athletes, as well as insurance implications when travelling to Kenya. My opinioin – it should never have been awarded to Nairobi in the first place. Little has changed there since the granting decision. It was wrong then and it is still wrong. Read more at <https://www.athletics.com.au/news/junior-champions-to-don-the-green-and-gold-on-home-soil/>.
- For Olympic host cities, one of the keys to a successful Games is the army of volunteers cheerfully performing a range of duties; like fetching water, driving Olympic vehicles, interpreting for athletes or carrying medals to ceremonies. If the rescheduled Tokyo Games go ahead as planned, roughly 78,000 volunteers will have another responsibility: preventing the spread of the coronavirus, both among participants and themselves. Yet for protection, the volunteers are being offered little more than a couple of cloth masks, a bottle of sanitiser and mantras about social distancing. Unless they qualify for vaccination through Japan's slow, age-based rollout, they will not be inoculated against the coronavirus. See <https://www.smh.com.au/sport/how-can-the-olympics-protect-78-000-volunteers-from-the-coronavirus-20210503-p57ocm.html>.
