TIM'S WALKER OF THE WEEK

My Walker of the Week is 22 year old Victorian Kyle Swan. He had a big weekend which included

- 2nd in the Oceania Invitational 10,000m Track Walk at the AIS on Saturday, with a time of 40:35.05
- 1st in the LBG/Stromlo 30km Road Walk at the Stromlo Forest Park in Canberra on Sunday, with a huge PB of 2:18:25.

Kyle currently sits in 55th spot on the World Athletics Olympic rankings for the men's 20km walk and looks set to be offered a spot in the 60-strong Olympic 20km when the qualifying period ends in 2 weeks time.

Kyle has had a superb summer, highlighted by 2nd place in the Australian 20km Summer Championship (1:24:08) and 3rd place in the Australian 10,000m Track Championship (40:06.86). Good luck Kyle!

HARRY SUMMERS EARNS A GONG

I was very excited to hear that former VRWC President and life member **Harry Summers** was amongst those honoured in the Queens Birthday Honours List. He has been awarded the **Medal in the General Division (OAM)** for service to athletics. It is somehow fitting that it happened in the VRWC's centenary year!

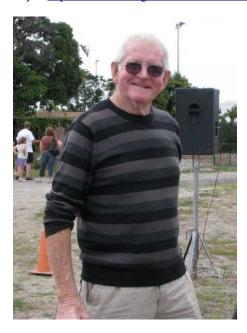

Harry is the 12th senior member of our Australian racewalking community to be awarded this prestigious honour. You can check out the full list at https://www.vrwc.org.au/vrwc-australian-honours.shtml.

Harry took up racewalking in 1953 as a 17 year old and joined the Victorian Walkers Club the following year, the same time as Bob Gardiner. Now 68 years later, he is finally acknowledged formally for his lifetime of service to our sport.

The following are but a few of the highlights from his long association with racewalking.

- He has been an ATFCA Level 3 Coach since 1983 (he was one of the first to achieve the Level 3 status) and has coached a long list of Australian walkers to international status.
- In 1983, he was elected to the position of VRWC President, a position he held for an amazing 29 years, eventually stepping down in 2013. He was awarded life membership of the club in 1990.
- He organized and took Australian teams of walkers to the 8 Nations Meets in Europe between 1990 and 1993.
- As President of VRWC, he was an automatic Vice President of Racewalking Australia for many years and actually served as President of Racewalking Australia from 2002-2004.
- He has been on the executive of the Australian Track and Field Coaches Association since 1993, only recently standing
 down.
- He became the Australian National Walk Coach in 1998 and then held the position of National Walks Coach (Educational), working alongside Ron Weigel, the AIS walking coach.

VRWC WINTER SEASON UPDATE

Some modifications have been made to our VRWC Winter Season fixture

The VRWC 35km Club Championship, known as the Ray Smith Trophy, has been rebadged to a 30km event and will take
place alongside the Victorian 30km Championship being contested on Sunday 1st August.

- Although the AMA 20km Roadwalk Championship will be contested in Adelaide on Sunday 8th August, a Victorian race (for those unable to travel to Adelaide) will be held at Middle Park on Sunday 29th August. Performances done in this event can be be forwarded to AMA for consideration.
- The meet on Sunday 29th August sees the Victorian 50km Championship reduced to a Victorian 35km Championship. This is in line with the current World Athletics move to swap the long walk distance from 50km to 35km. The Victorian 50km championship will no longer be contested.
- The Australian Roadwalk Championships are now confirmed for Sunday 12th September in Melbourne. The timetable is now shown in the VRWC fixture.
- That being the case, we have added an extra raceday on Saturday 4th September as a final warmup.

Check out the updated fixture at https://www.vrwc.org.au/vrwcw21.shtml

I am also attaching an advertising flyer concerning our Twilight Trivia on Saturday 10th July, after the VMA Championships and Postal Challenge events at Middle Park. Club President Stuart Cooper advises that we have the Ladies Auxiliary room booked, with a room maximum of 40 persons (subject to change according to DHHS and Bowling Club advice). So at this stage it's on. Bookmark it but beware that nothing is certain in these covid times.

OCEANIA 10,000M INVITATIONAL TRACK WALK, AIS ATHLETICS TRACK, CANBERRA, SATURDAY 12 JUNE

Once Athletics Australia decided to withdraw from the 2021 World Athletics U20 Athletics Championships in Nairobi, a special Oceania level meet was organised on the Gold Coast in Queensland, and was to include a 10,000m track walk in which our U20 reps

Will Thompson, Corey Dickson, Olivia Sandery and Alanna Peart would be able to compete. Alas, the covid outbreak in Victoria put paid to any chances that Victorians had of travelling to Queensland, but Corey and Alanna did manage to get as far as Canberra.

That being the case, the Oceania 10,000m Invitational Track Walk was postponed by a week and transferred to the AIS Athletics Track in Canberra. The amended race did not include all the walkers originally entered but did give a number of our top walkers a chance for a further elite race, which was held on the morning of Saturday 12th June. I am told it was super cold so no PBs, but some great walking none the less. **Declan Tingay** cleared away from **Kyle Swan** in the second half to win with 40:10.83, Kyle finishing second with 40:35.05. 3 of our 4 U20 World Junior reps participated, with **Corey Dickson** 45:52.36, **Olivia Sandery** 47:35.70 and **Alanna Peart** (49:02.06) all walking well.

LBG MT STROMLO RACEWALKING AUSTRALIA CARNIVAL, CANBERRA, SUNDAY 13 JUNE 2021

The 54th edition of the annual LBG Racewlking Carnival was successfully contested at the Mt Stomlo Forest Park in Canberra last Sunday. The weather had warmed up from the antarctic conditions of the day before, and it was sunny and still for the day. Alas, no metro Melbourne walkers could make the trip (unless they were already in Canberra) so the carnival numbers were hard hit.

Thanks to Bob Cruise for getting the full results set to me so promptly. If you see any errors or omissions, send me an email and we can check.

Our Victorian team was decimated, with only a very small contingent from Ballarat, Geelong and Gippsland able to attend. They did fantastically, with just about everyone winning a medal or a handicap award. The medals went to

Open Men 30km	1	Kyle Swan	RWV	2:18:25
Open Womern 15km	2	Rachael Tallent	RWV	1:22:27
U20 Men 10km	2	Corey Dickson	RWV	44:57

Open Men 5km	2	Corey Dickson	RWV	22:13

Open Women 5km Teams 1 RWV1 (Alanna Peart, Rachael Tallent, Jemma Peart)

It's always tough to highlight particular performances overall, especially when so many walkers do more than 1 event. But here goes:

Open Men 30km	Kyle Swan	RWV	2:18:25
U20 Men 10km	Mitchell Baker	ACTRWC	44:02

Well done to everyone, especially the ACTRWC workers and volunteers who put on Australia's largest racewalking carnival every year and always do a fantastic job. And well done to the officials, helpers and judges from all our other member clubs as well as to the families who support this event every year. Here are the full results.

EVAN DUNFEE IN SCORCHING FORM

Big news from Canada, with Doha 50km bronze medallist Evan Dunfee in superb short distance form. In the Harry Jerome Track Classic 10,000m Walk. My report it taken from https://www.saultstar.com/sports/amateur-sports/no-competition-no-problem-for-evan-dunfee-as-race-walker-sets-national-record-at-harry-jerome-track-classic.

Sometimes, when you know you're good and feeling in terrific race form, it's OK to bet on yourself.

That was the case Saturday for Canadian race walk veteran Evan Dunfee who decided that even though he would essentially be circling the Swangard Stadium track on his own in the 10,000 metres at the Harry Jerome Track Classic, his two-year-old national record was about to fall.

With the lapped Tyler Wilson being disqualified and Katelynn Ramage dropping out of the mixed event a quarter of the way through, Dunfee was a solitary figure as he quick-walked on in seemingly effortless style, finishing in 38:39.72. That smashed his previous best by nearly 15 seconds and was the fastest time in the world this season.

"Training has been going really well," said Dunfee, a 30-year-old from Richmond and a 2019 world championships bronze medallist in the 50K race walk. "I had a 5K time trial last week and went 9:15, so I was 'OK, I know it's in the cards. I know I'm fit, so let's give it a crack."

For the record, that equates to 25 laps of the 400m track at a lap time of around 1:33. Now that's impressive!

CHAMPIONNAT DE LA VIENNE, LOUDUN, FRANCE, SUNDAY 13 JUNE 2021

Emmanuel Tardi was in the western French city of Loudun on Sunday for their local championship. A small field assembled at the start line at 10:30, just as the weather was starting to warm up. In the 10,000m walk, **Alexis Robichon** cleared away with 3 laps to go to win with 45:31.43. **Lucie Champalou**, the French 50km representative in Team Berlin and Taicang 2018, who returned to racing after taking a year off with the birth of a baby, finished fifth with 1:02:03.70. The 5000m was won by **Marine Rottier** with a PB 25:13.45.

OUT AND ABOUT

- On Friday 11 June the 47th edition of the Lithuanian International Race Walking Festival took place in Alytus, one of the last competitions useful for obtaining the Olympic standard over the 20km distance. New Zealand's **Alana Barber** was in action and walked well once again, coming 6th in the women's 20km with 1:33:25. The meet is well reported by marciadalmondo (http://www.marciadalmondo.com/eng/dettagli-news.aspx?id=4110) and omarchador.
- The IOC executive board has now proposed Brisbane to host the 2032 summer Olympics. Brisbane had been the preferred host, chosen in February, and the board's proposal now goes to the IOC session before the Tokyo Olympics next month. "It is in the hands of IOC members to vote now on July 21," IOC President Thomas Bach said. Fingers crossed! See https://www.abc.net.au/news/2021-06-11/ioc-proposes-brisbane-to-host-2032-olympics/100207066.
- The IOC has offered to source as many doctors and nurses as needed from around the globe to ensure the Tokyo Olympics is safe and to help Japan fight a fourth wave of Covid infections. The IOC's pledge comes amid mounting concern in Japan that having 70,000 athletes, officials, journalists and support staff arriving into the country could act as superspreaders for new variants and put huge pressure on medical services. Goodness knows where they are going to find them! See https://www.theguardian.com/sport/2021/jun/09/ioc-pledges-to-source-doctors-from-around-globe-to-keep-tokyo-olympics-safe.

SETTING GOALS

VRWC Club Captain Terry O'Neill has written a little piece for us all on Setting Goals. This is an extended version of his thoughts from his recently published self biography (copies of the book still for sale at Middle Park)

Setting Goals: a Personal Perspective.
By Terry O'Neill
Personal Trainer, and Men's Captain VRWC

Let me take you back to 2004, I have separated from my wife of 23 years. I have very little work. I am an athlete that runs to maintain fitness. I was a very good athlete in my 20s as a race walker; twice represented Victoria, won silver and bronze medals in Victorian Championships, won a silver medal at National titles, walked 100 miles in 21hrs 13 minutes, ran 4 marathons, 2 of them sub 3 hour.

After the separation I threw myself back to what I knew best, I started competing again, as well as coaching a few athletes.

In 2005 I decided to study to be a Personal trainer, as it had been a passion of mine for a while. After completing my studies, I had very little work to go on with. I went into depression, life become very tough. But through my studies the one thing I remembered was "Set yourself a Goal"

Since then, I have run another 6 marathons, walked another 100 miles within 24hrs (in 21 hours, 28minutes – 28 years after first achieving Centurion status), won 3 Australian Championships for 100km walk," held in conjunction with the 24h walk", set

Australian 50 plus age group records for 6hr walks. Gained success as a personal Trainer, trained one lady to run a Marathon and many more to achieve their goal in running the half marathon.

Not everyone is going to want to run a Marathon or half marathon or complete the distances that I have, but if you have a goal in place, it is something to strive for.

But in setting a Goal there are a few things you must remember.

- Make sure it is Realistic and Achievable
- Always stay focused on what you want to achieve
- Have someone to hold you accountable for support
- Have a time frame in place
- Do NOT make excuses.
- Be prepared to make a serious commitment
- Believe in your own ability.

From a personal view make sure your goals are realistic. Do not expect to go from doing 5km walks one week then attempt 20 km the next week, without building distances up. It is not going to happen, and you will be leaving yourself open to injury.

Terry in action at Middle Park in 2019

I trained a lady a number of years ago to run the marathon, we started training in March. The marathon was in October. It was realistic it was achievable. Along the way there were set backs but we stayed focused on what we wanted to achieve. This client knew every Wednesday morning we would meet at the gym at 6am for our personal training session. She also knew Sunday morning we would set of on our long runs gradually building up the distance. She achieved her goal in running the marathon, she also won a major award with Fitness First at a Gala event in Sydney for her achievement.

As a personal trainer I have heard all the excuses. Too busy, going out, have a party to go to, Mums birthday or all of the above. Make sure it is a valid reason, not an excuse. If you are really serious about what you want to achieve you will make the commitment.

In 2019 I was training a group of ladies, who were clients, for the half marathon. I decided I would also enter to run the half marathon myself. That year was not a good year for me, as I seemed to have one injury after another. I could not get out consistently to do the miles I really wanted. My build up was not really ideal. But I knew once I stepped out to run the half Marathon, I had the confidence in my ability to get the job done. We all achieved our goal. I would not recommend going into an event like that, to a novice athlete.

Whatever your dreams, whatever your goals, pursue them so that you will have no regrets later. Dedication and hard work will get you there. No short cuts.

When I was young, I never fully believed in my ability, I never felt good enough. I wanted success to come to me, not me chasing it. The old saying, "when the going gets tough the tough get going" this didn't ring through to me, when the going got tough I would pull out.

I write this because I see so much potential in a lot of athletes. You have to believe that you are good enough, that you can do this. Believe in your ability.

I did not achieve what I really wanted, because I did not believe in my ability back then.

We have so many good coaches at the Walkers club. Let them introduce you to goals for you to aspire to. Take advantage of their experience. Let them guide you.
